

In subsection (b)(2)(i) of this section, the word "licensed" is substituted for the word "registered" to conform to changes in terminology made throughout this article. See the General Revisor's Note to this article. Section 5 of Ch. ____, Acts of 1989, ensures the validity of seals with the legend "registered land surveyor" or "registered property line surveyor" is not affected by this revision.

The second sentence of former Art. 56, § 338(c), which provided the seal "is for the personal use of the registrant only", is deleted as unnecessary in light of the criminal penalties for use of the seal of another. See § 15-606 of this title.

Defined terms: "Board" § 15-101
 "License" § 15-101
