

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, § 342.

This section is revised to apply to practicing property line surveying while a license to practice that profession is suspended or revoked.

In the introductory language of this section, the former reference to a refusal "to renew" a license is deleted to conform to the referenced § 15-318 of this title. See the revisor's note to that section.

In item (2) of this section, the reference to a "partnership" is substituted for the former reference to a "firm" to conform to § 15-401 of this title.

Defined terms: "License" § 15-101  
 "Licensed property line surveyor" § 15-101  
 "Practice land surveying" § 15-101  
 "Practice property line surveying" § 15-101  
 "Professional land surveyor" § 15-101

15-609. PRACTICING WHILE NOT QUALIFIED.

(A) LAND SURVEYING.

AN INDIVIDUAL WHO IS AUTHORIZED TO PRACTICE LAND SURVEYING MAY NOT PRACTICE OR OFFER TO PRACTICE LAND SURVEYING IN THOSE AREAS OF LAND SURVEYING IN WHICH THE INDIVIDUAL IS NOT COMPETENT TO PRACTICE.

(B) PROPERTY LINE SURVEYING.

AN INDIVIDUAL WHO IS AUTHORIZED TO PRACTICE PROPERTY LINE SURVEYING MAY NOT PRACTICE OR OFFER TO PRACTICE PROPERTY LINE SURVEYING IN THOSE AREAS OF PROPERTY LINE SURVEYING IN WHICH THE INDIVIDUAL IS NOT COMPETENT TO PRACTICE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, § 343(a)(7).

The Business Occupations Article Review Committee notes, for consideration by the General Assembly, that the meaning of former Art. 56, § 343(a)(7) is unclear. The Committee has interpreted the former prohibition against practicing "when not qualified" to refer to an individual who, while authorized to practice land surveying or property line surveying, undertakes a project that is outside the individual's area of professional competence. The Board and the Office of the Attorney General concur with this interpretation.
