

Subsection (b) of this section is revised in standard language that allows the Board to determine the "times" and "places" for its meetings and hearings.

In subsection (c)(1) of this section, the word "compensation" is substituted for the former reference to "salary per diem", to conform to similar provisions elsewhere in this article.

In subsection (c)(2) of this section, the former reference to payment "out of the moneys available therefor in the hands of the Board" is deleted as inaccurate and obsolete. Currently, all money that the Board collects is part of the General Fund of the State or the Licensing Testing Fund of the Department. Therefore, the Board does not have any "moneys" of its own.

Also in subsection (c)(2) of this section, the words "necessary and proper", which formerly modified the word "expenses", and the former phrase "for travel and otherwise" are deleted as unnecessary in light of the reference to the Standard State Travel Regulations. See COMAR 23.02.01.01 through 12.

In subsection (d)(1) of this section, the word "staff" is substituted for the former reference to a "secretary and ... clerical force", for brevity.

Also in subsection (d)(1) of this section, the power to employ a staff "in accordance with the State budget" is substituted for the former power to employ and compensate staff "as from time to time in its judgment may be necessary in the administration of this subtitle if it has funds available for such persons", since the State budget would control regardless of whether the Board considers a staff member "necessary".

Also in subsection (d)(1) of this section, the former powers to "discharge" staff "at pleasure" and "fix the compensation" are deleted since staff is provided through the Department.

In subsection (d)(2) of this section, the phrase "in the form and amount required by law" is standard language substituted for the former incomplete reference to Art. 78A, §§ 46 through 50 of the Code. See also Art. 19, § 20 of the Code and SF §§ 9-107 and 10-203.
