

If the State Fire Marshal or the local authority having jurisdiction over fire investigations determines that a chimney contributed to the cause of a fire, the State Fire Marshal or the local authority having jurisdiction over fire investigations shall file with the State Fire Marshal's office a report that identifies the chimney involved in the fire as:

- (1) A lined, masonry chimney;
- (2) An unlined, masonry chimney; or
- (3) A prefabricated, metal chimney.

Article 40A - Maryland Public Ethics Law

3-103.

(a) (1) Except as permitted by regulation of the Commission where such interest is disclosed or where such employment does not create a conflict of interest or appearance of conflict, an official or employee, except a member of the General Assembly, may not:

(i) Be employed by, or have a financial interest in, any entity subject to the authority of that official or employee or of the government agency with which he is affiliated or any entity which is negotiating or has entered a contract with that government [agency,] AGENCY; or

(2) This prohibition does not apply to:

(iii) Subject to other provisions of law, including Title 3 of this article, a member of a board or commission in regard to a financial interest or employment held at the time of appointment, provided it is publicly disclosed to the appointing authority, the Commission, and, in instances where confirmation is required, to the Senate prior to [confirmation;] CONFIRMATION.

(3) In extraordinary situations, as consistently as possible under similar facts and circumstances and subject to other provisions of law, including Title 3 of this article, the
