

law -- i.e., the Board may require an applicant to satisfy the additional licensing requirement.

The third sentence of former Art. 56, § 468(a)(4), which allowed the Board to require a "nonprofessional degree applicant to pass a qualifying examination", is deleted as obsolete because the Board no longer administers this examination.

Defined terms: "Board" § 3-101
"Council" § 3-301 "License" § 3-101

3-304. APPLICATIONS FOR LICENSES.

AN APPLICANT FOR A LICENSE:

(1) SHALL SUBMIT TO THE BOARD AN APPLICATION ON THE FORM THAT THE BOARD PROVIDES; AND

(2) EXCEPT AS PROVIDED IN § 3-306(B) OR (C) OF THIS SUBTITLE, SHALL PAY TO THE BOARD AN APPLICATION FEE SET BY THE BOARD TO APPROXIMATE THE COST OF ADMINISTERING THE REQUIRED EXAMINATION TO THE APPLICANT.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, §§ 468(a)(1) and (2) and 472(b) and the first clause of § 466(h).

In the introductory language of this section, the reference to a "license" is substituted for the former reference to "registration", for consistency and conformity to changes in terminology made throughout this article. See the General Revisor's Note to this article.

In item (2) of this section, the reference to an "application fee" is substituted for the former references to an "examination fee" and "all fees", because the Board charges a single fee, which is paid on application for a license and covers both the application and examination processes.

Accordingly, the former references to licensure "by written examination" and to applicants "to be tested" are deleted so that item (1) of this section applies whether the applicant must take an examination or meets the requirements for waiver of examination. However, the introductory language of item (2) of this section, "except as provided in § 3-306(b) or (c) of this subtitle", is added to avoid imposing dual application fee requirements on applicants who waive the examination.
