The Governor of the State, the President of the Senate of the General Assembly and the Speaker of the House of Delegates of the General Assembly shall be by virtue of their offices three of the trustees with the same powers and duties as the other trustees as hereafter set forth. The remaining twelve trustees shall be appointed by the Governor with the advice and consent of the Senate. However, at least one trustee shall be qualified by training and experience in the field of submerged archaeology. The term of a member is 4 years. The terms of members are staggered as required by the terms provided for members of the board on July 1, 1985. In the event that a trustee for any reason fails to serve or to complete any appointed or elected term, a successor shall be appointed by the Governor for the remainder of such term. Selection of trustees whether by delegation or appointment with the advice and consent of the Senate should be such as to obtain a broad geographical distribution of trustees throughout the State insofar as is practicable and consistent with the purpose of the Trust.
