

(7) Monitor statewide progress towards the goal of reducing adolescent pregnancy;

(8) Promote and encourage wide community input, communication, and education regarding adolescent pregnancy;

(9) Provide advice to local public and private agencies seeking to mobilize local efforts designed to prevent adolescent pregnancies and assist adolescent parents; and

(10) In accordance with the statewide plan, recommend to the Governor distribution of community incentive grants concerning adolescent pregnancy from funds provided in the State budget for this purpose, giving priority to innovative projects that:

(i) Promote the establishment of a coordinated network of services for at-risk, pregnant, and parenting adolescents; and

(ii) Demonstrate a high level of commitment to the project by making available nonstate funds, personnel, and facilities.

#### Article - Environment

3-304.

(a) The Committee shall:

(1) Receive reports of progress, problems, and proposed plans for attaining and maintaining State environmental noise standards from each agency that is represented on the Committee;

(2) Evaluate the adequacy of existing and proposed efforts to attain and maintain State environmental noise standards;

(3) Review the relationship of State noise control rules and regulations with other environmental laws, rules, regulations, standards, and programs; and

(4) Recommend new or revised noise control rules, regulations, or legislation.

6-608.
