CHAPTER 372

(House Bill 1243)

AN ACT concerning

**Health Care Decision Making and Advance Medical Directives Act**

~~FOR the purpose of specifying certain circumstances under which health care providers may provide health care; providing that certain emergency medical treatment may be provided to incapacitated individuals under certain circumstances; specifying certain circumstances under which health care providers may withhold or withdraw a life sustaining procedure; specifying that health care providers need not provide health care that is medically ineffective or that is contrary to certain beliefs or policies; confirming certain rights and duties of health care providers to protect incapacitated patients under certain circumstances; authorizing certain individuals to state certain instructions to an attending physician; authorizing certain individuals to state certain decisions about life sustaining procedures in a living will under certain circumstances; authorizing certain individuals to state a decision regarding the use of a feeding tube under certain circumstances; providing for the revocation of a living will under certain circumstances; establishing certain requirements for the creation, use, and revocation or rescision of a power of attorney for health care decisions; specifying the authority and duties of a health care agent under a power of attorney for health care decisions; imposing certain limitations on the authority of a health care agent; specifying the authority of certain surrogate decision makers to instruct that health care be provided, withheld, or withdrawn under certain circumstances; imposing certain limitations on the exercise of certain surrogate authority; specifying that a certain provision regarding powers of attorney is inapplicable to powers of attorney for health care decisions; confirming the~~
