

(i) Short and long term needs for services which the State Advisory Council has identified;

(ii) Promoting and coordinating, in cooperation with other federal, State, local or private agencies, unified programs for education, prevention, diagnosis, treatment, rehabilitation, and control of alcohol abuse and drug abuse; and

(iii) Reviewing existing programs and facilities of the Administration and short and long term plans.

8-405.

(a) Within 60 days after an application for an initial certification by an alcohol abuse and drug abuse treatment program is received, the Department shall give the governing bodies of the county and the municipality and, upon request, the members of the General Assembly from the district where the program is to be located, notice of the filing of the application, if the program is designed for residential living by 4 or more unrelated people.

10-305.

The Maryland Advisory Council shall:

(1) Advise the Administration generally on carrying out the provisions of this title; and

(2) Be a strong advocate of a comprehensive, broad-based approach to the social, economic, and medical problems of mental hygiene.

10-422.

The Executive Board of the Center shall develop policy for the operations of the Center, including policies on the assignments and responsibilities of the scientific employees and technical employees of the Center.

13-107.

The Advisory Council may establish subcommittees.

13-407.

(a) Subject to the requirements of this section, the Department may adopt rules and regulations that are necessary and proper to govern the procedures and business of the Advisory Council.

(b) Before the Department adopts a rule or regulation, the Department shall consult with the Advisory Council.

(c) In addition to the duties set forth elsewhere in this subtitle, the State Advisory Council shall:

(1) Maintain liaison with:

(i) The State Department of Education;
