

SECTION 6. AND BE IT FURTHER ENACTED, That the County may enter into an agreement or agreements with the Corporation pursuant to which the Corporation shall be required to make periodic payments from the Hospital's revenues or other assets to the County at such times and in such amounts to assure the timely payment of the maturing principal of and interest on the bonds and any related expenses of the County. However, the bonds shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit and unlimited taxing power of the County to the payment of the maturing principal of and interest on the bonds as and when they become payable. In each and every fiscal year that any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of the County in rate and amount sufficient to provide for or assume the payment, when due, of the principal of and interest on all the bonds maturing in each such fiscal year and, in the event the Hospital revenues or the proceeds from the taxes so levied in any fiscal year prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any deficiency. The County may apply to the payment of the principal of and interest on any bonds issued under this Act any funds received by it from the State of Maryland, the United States of America, any agency or instrumentality of either, or from any other source. If such funds are available for the purpose of assisting the County or the Corporation in financing the hospital improvements, taxes that might otherwise be required to be levied under this Act may be reduced or need not be levied to the extent that any such funds are received or receivable in any fiscal year.

SECTION 6. 7. AND BE IT FURTHER ENACTED, That the County is hereby further authorized and empowered, at any time and from time to time, to issue its bonds in the manner hereinabove described for the purpose of refunding, upon purchase or redemption, any bonds issued under this Act. The validity of any refunding bonds are in no way dependent upon or related to the validity or invalidity of the obligations being refunded. The powers granted under this Act with respect to the issuance of bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be issued by the County for the purpose of providing it with funds to purchase in the open market any of its outstanding bonds issued under this Act, prior to their maturity, or for the purpose of providing it with funds for the redemption prior to maturity of any outstanding bonds which are, by their terms, redeemable. The proceeds of the sale of any refunding bonds shall be segregated and set apart by the County as a separate trust fund to be used solely for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

SECTION 7. 8. AND BE IT FURTHER ENACTED, That the County may, prior to the preparation of definitive bonds, issue interim certificates or temporary bonds, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The County may, by appropriate resolution of the Board, provide for the replacement of any bonds issued under this Act which may have been mutilated, lost or destroyed upon whatever conditions and after receiving whatever indemnity as the County may require.
