Article 88B - State Police

7.

(A) Any law enforcement agency of the State or any State agency may be permitted to connect with and use any teletypewriter, voice communication, data communication, message switching or other communication system established by the Department for statewide use. Such connection and use shall be subject to and in accordance with rules established by the Superintendent to promote the purposes of this subtitle, to insure the effective, economical, and efficient utilization of the entire system, and to prevent interference with the law enforcement duties of the Department. Violation of such rules shall constitute sufficient basis for withdrawal of permission to connect with and use such system. To the extent permitted by specific budget appropriation, the cost of rental of such equipment and the circuitry necessary thereto shall be paid by the State, except rental and/or purchase costs of terminal devices and the circuitry necessary thereto tied to the State Police Computer System; all supplies and other charges connected therewith shall be paid by the law enforcement agency.
