

(f) "Facility" means a physical structure or appurtenance built, constructed, acquired, installed, or established to perform a function or service in connection with a water supply, wastewater purification or solid waste disposal project whether publicly or privately owned and whether existing or proposed.

(g) "Liquid waste" means:

(1) Storm water runoff; and

(2) Any water-carried wastes or wastes which are liquid in nature created in and carried away, or to be carried away, from residences, institutions, industrial establishments, commercial establishments, or any other public or private building, structure, or facility.

(h) "Municipality" means any county, municipal corporation, sanitary district, State or local unit, or other public body or unit created or established by or pursuant to State or local law, ordinance, or resolution.

(i) "Notes" means bond anticipation notes, revenue anticipation notes, and grant anticipation notes of the Service, whether general or limited obligations of the Service.

(j) "Person" means any natural person, individual, firm, partnership, association, cooperative, corporation, or other entity.

(k) (1) "Project" means a solid waste disposal project, a wastewater purification project, or a water supply project as the case may be.

(2) "Project" includes any service, facility, or property used or useful or having present capacity for future use in connection with:

(i) The transporting, transferring, compacting, burying, incinerating, reduction, composting, collection, storage, treatment, utilization, processing, or final disposal of liquid wastes, solid wastes or water, as the case may be;

(ii) The conversion of liquid wastes, solid wastes or water, as the case may be, to fuel, steam, electricity, energy, or other resources or the generation of steam, electricity, or other forms of energy from fuel which is derived from, or is otherwise related to, liquid wastes, solid wastes or water, as the case may be;

(iii) The reconstruction, converting or otherwise recycling of liquid wastes, solid wastes or water, as the case may be, into material which is not liquid waste, solid waste or water or which is useful or is marketable; or

(iv) Any combination of items (i) through (iii) of this paragraph, whether or not such facilities are located on a single site.

(3) "Project" also includes:

(i) Waste disposal facilities, pollution control facilities, and facilities for generating and furnishing electric energy or gas or other forms of energy which can be financed by bonds the interest on which is exempt from income tax under the Internal Revenue Code of 1986, as amended, whether such interest would have been tax exempt at the time of the enactment of this subtitle or of any amendment thereto; and
