COMMITTEE NOTE: The changes are intended solely to correct cross-references changed due to the revision of the Arson and Burning subheading. The addition of attempting, aiding, counseling, and procuring an arson is stylistic. Current law under the "Arson and Burning" subheading specifically includes these as prohibited acts. The proposed revision deletes them on the basis that common law adequately addresses these crimes. Their deletion, however, requires that they be included here so as not to alter the current authority of the court to deny bail for these offenses.
