

(4) Counseling includes information on prevention of HIV and other sexually transmitted diseases;

(5) Use of volunteer health care providers to provide services, when appropriate, is encouraged;

(6) Community leaders are consulted in the design and implementation of the initiative.

It is also the intent of the General Assembly that no funds may be expended by the Department for the purpose of the family planning initiative until:

(1) the budget committees have received a report from the Department outlining how the above criteria will be satisfied, and

(2) the committees have reviewed and commented upon the report or 45 days have elapsed from the date the report is received by the committees.

32.06.02.04 Primary Prevention for Targeted Population

General Fund Appropriation, provided that no funds may be expended until:

(1) the budget committees have received a statement of priorities and spending plan for the program; and

(2) the committees have reviewed and commented on the submission or 30 days have elapsed from the date the report is received by the committees.....
