All appropriations provided for the program Medical Care Provider Reimbursements – 32.17.01.03 are to be used only for the purposes herein appropriated, and there shall be no budgetary transfer.

Further, it is the intent of the General Assembly that the Medical Care Provider Reimbursements appropriation be expended in accordance with the budget detail presented to and approved by the General Assembly. Should the department wish to make a regulatory, policy, or procedural change which has an impact greater than \$300,000 on the program's budget, it shall inform the budget committees of the change, and the committees shall have 45 days to review and consider it before it becomes effective.

Further, \$1,000,000 of the General Fund Appropriation may be used for a grant to Baltimore Medical Systems, Inc., provided the budget committees have 45 days to review any such grant.

Further, due to federal and state health care reform efforts and the ongoing implementation of the Maryland Access to Care Program, it is the intent of the General Assembly that Medical Assistance reimbursement policies in effect on January 1, 1993 for emergency and non-emergency services provided by hospital emergency facilities continue for Fiscal Year 1994.
