Bill No. 50-91

Chapter 6

Laws of Montgomery County, 1992

AN [[EMERGENCY]] ACT to:

- (1) establish certain limitations on the issuance of a sediment control permit if the application is subject to review under Chapter 22A, Forest Conservation-Trees;
- (2) require that the conditions of a sediment control permit must not conflict with a forest conservation plan or identified forest or tree conservation areas;
- (3) require that field markings related to limits of disturbance be located at the site of the land-disturbing activities at certain times;
- (4) eliminate an exemption from the requirement to obtain a sediment control permit for certain timber harvesting activities;
- (5) authorize the issuance of a stop work order without a warning under certain circumstances;
- (6) require reforestation as a corrective measure under certain circumstances;
- (7) authorize the adoption of certain regulations;
- (8) make certain clarifying and stylistic changes; and
- (9) generally provide for additional regulatory measures in connection with the issuance of a sediment control permit.
