

In subsection (c) of this section, the job titles "Park Ranger Supervisor" and "Park Services Supervisor" are substituted for the former reference to a "Park Ranger III" to reflect the current titles of those positions in the Department of Natural Resources.

Defined term: "Secretary" § 1-101

GENERAL REVISOR'S NOTE:

Former Art. 89, § 27(e)(2), which allowed specified employees of the Maryland State Police and the Department of Natural Resources to receive "[u]nlimited" overtime payments, is deleted as obsolete and unnecessary because there are no longer any limits otherwise imposed by law.

The first sentence of former Art. 89, § 27(e)(3), which allowed the payment of overtime from special State funds, federal funds, or local funds, whether or not certain maximum overtime payment limits had been reached, is deleted. Former Art. 89, § 27(e)(2) has been amended over the years to remove all limits of this type. Correspondingly, the first sentence of former Art. 89, § 27(e)(4), which provided for the effect of a change in rank on the maximum yearly overtime payable, is deleted.

The second sentence of former Art. 89, § 27(e)(4), which provided that overtime payments to various employees of the Maryland State Police and the Department of Natural Resources do not affect retirement and pension benefits, is deleted as unnecessary in light of Art. 73B of the Code, which governs State retirement and pension systems.

The first sentence of former Art. 89, § 27(e)(5), which provided that law enforcement employees of the Department of Natural Resources are considered to be employed by this State during overtime hours, is transferred to NR § 2-104 by Ch. _____, Acts of 1993.
