REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 64A, § 38A(d).

Subsection (b)(2) of this section is revised to clarify that the plural reference in former Art. 64A, § 38A(d)(2)(iii) to approval of the deduction, "for organizations" was intended to require approval for each individual organization with limited potential membership rather than one blanket authorization for all organizations with limited potential memberships.
