12-6.

(f) The results of the primary elections in the several counties and legislative districts of Baltimore City in presidential years shall be canvassed, ascertained and certified in the same manner as provided by law with respect to the election of delegates from the several counties and legislative districts to State conventions of the respective parties to nominate candidates for State offices. The votes cast in each primary election in each county and legislative district of Baltimore City shall be canvassed and certified by the respective boards of supervisors of elections in Baltimore City and the several counties of the State. The Board of State Canvassers then shall tabulate the votes so canvassed and certified in a manner plainly to indicate for each party:

(1) Which candidate for President received the highest number of votes in the State as a whole;

(2) Which candidate for President received the highest number of votes from each congressional district; [and]
