(d) Annual installments shall be a personal obligation of the owner of a benefited property at the time the installments become due. Sale of a benefited property may not extinguish a lien under this subtitle, and the purchaser in all instances shall take the property subject to any outstanding balance of the total benefit charge still unpaid at the conclusion of the sale, and shall be required to meet the same annual installments as previously were being assessed. Any notice of sale clearly shall identify this potential liability, provided that failure to so notify may not affect the obligation if the notice of lien required under [§ 8-1005(d)(3)] § 8-1005(D)(4) of this subtitle is filed properly.
