Article 88B – State Police

4. (f) (1) The Superintendent, the deputy superintendent, and employees designated by the Superintendent as police employees shall have the same law-enforcement powers on property owned, leased, or operated by or under the control of the State Aviation Administration as are enumerated in § 3 and in subsection (a) of this section. In accordance with the policies set forth in § 5-102 of the Transportation Article, the Superintendent shall consult and cooperate with the State Aviation Administrator in the exercise of his power to perform law-enforcement duties on such property.

(2) Funding for the performance of the law-enforcement duties by the State Police on the Administration property shall be provided from the special funds set forth in § 3-216 (d) of the Transportation Article. The funding for law-enforcement duties shall include the amount of incremental indirect costs allocated by the Department of Public Safety and Correctional Services to the State Police for law-enforcement duties performed on Administration property. These funds shall be transferred in the annual budget bill to the State Police and used as special receipts for the expenditures of the State Police in performing these duties.

(3) The Secretary of Transportation may transfer to the Department of Public Safety and Correctional Services such positions as are necessary to implement this subsection.

(4) An off-duty police employee or airport police employee who voluntarily performs law-enforcement duties on State Aviation Administration property may not receive overtime compensation for the performance of those duties. In all other respects, overtime provisions for police employees and airport police employees shall be as provided in Article 89, § 27(d) of the Code.]
