

(2) analyses of the cost per student to the College of each academic course discipline (including mathematics, science, English, nursing, physical education, and any other body of knowledge offered by an institution of higher education, the study of which can fulfill the requirements for an academic degree) and of each nondegree program of study offered at the College, including:

(i) a listing on a cost per student basis of the 5 academic course disciplines that are the most expensive and the 5 academic course disciplines that are the least expensive for the College to offer; and

(ii) recommendations of ways to lower the cost per student at the College of academic course disciplines and nondegree programs of study offered at the College, including consolidation of courses and programs of study; and

(3) (i) the amount of the County share of operating funds paid by the County Executive and County Council of Prince George's County for Prince George's Community College and its relationship to the amount of tuition and fees paid by a student at the College; and

(ii) an analysis and evaluation of the maintenance of effort by the County Executive and County Council of Prince George's County.

The Board of Community College Trustees for Prince George's County may not receive the State share of community college operating funds provided under § 16-403 of the Education Article for Prince George's Community College until the Commission and the General Assembly receive the report.]

SECTION 7. AND BE IT FURTHER ENACTED, That by December 1, 1994, the Maryland Insurance Commissioner shall, subject to § 2-1312 of the State Government Article, report to the House Economic Matters Committee, the Senate Finance Committee, and the Joint Committee on Health Care Cost Containment regarding methods to facilitate the transition of insureds from a limited benefits policy under Article 48A, § 490-O of the Code to a standard policy, the termination of the limited benefits policy program, the status of any remaining policies under the program, and any recommendations for further action.

SECTION 8. AND BE IT FURTHER ENACTED, That the Laws of Maryland read as follows:

~~Article — Transportation~~

~~23-207.~~

~~(b) Subject to § 2-1312 of the State Government Article, the Secretary of Transportation and the Secretary of the Environment shall furnish a joint report [within] TO THE LEGISLATIVE POLICY COMMITTEE, THE SENATE JUDICIAL PROCEEDINGS COMMITTEE, AND THE HOUSE ENVIRONMENTAL MATTERS COMMITTEE.~~

~~(1) BY JANUARY 1, 1995, AND BIENNIALY THEREAFTER, THAT PROVIDES UPDATED INFORMATION ON THE STATE'S PROGRESS IN MEETING THE REQUIREMENTS OF THE FEDERAL CLEAN AIR ACT AMENDMENTS OF 1990,~~
