

REVISOR'S NOTE: This section is new language derived without substantive change from the second sentence and, as it applied to establishment of the State Retirement and Pension System, the first sentence of former Art. 73B, § 1-102(a).

The former word "Maryland" is deleted from the title of the System to avoid the use of the duplicative terms "Maryland" and "State" and to correspond with titles of other units of State government in other revised articles.

In subsection (b) of this section, the former reference to "allowances" is deleted as unnecessary in light of the comprehensive word "benefits".

Defined term: "Participant" § 20-101
