The Honorable Thomas V. Mike Miller, Jr.  
President of the Senate  
State House  
Annapolis, Maryland 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 547.

This bill would require that architectural documents prepared in connection with the alteration, construction, design, change of use, or repair of a building intended for public use be signed and sealed by a licensed architect, with certain specified exceptions.

House Bill 1003, which was passed by the General Assembly and signed by me on May 26, 1994, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 547.
