The Honorable Thomas V. Mike Miller, Jr.  
President of the Senate  
State House  
Annapolis, Maryland 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 550.

This bill would authorize the creation of a State Debt not to exceed \$1,000,000 or the amount of certain matching funds, to be used as a grant to the Board of Directors of Liberty Medical Center, Inc. for the design, planning, rehabilitation, and construction of, and the provision of capital equipment for the Urban Medical Institute for Ambulatory Initiatives in Baltimore City.

House Bill 848, which was passed by the General Assembly and signed by me on May 2, 1994, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 550.

Sincerely,  
William Donald Schaefer  
Governor
