

COUNTY LOCAL LAWS

Bill No. 35-93

AN ORDINANCE concerning:

Utilities - Water and Wastewater Charges

~~FOR the purpose of providing that the County Council annually set charges for water and wastewater service; requiring that the charges be sufficient to defray estimated operating expenses and any prior operating deficit; and requiring a certain minimum to be maintained in utility enterprise retained earnings;~~

FOR the purpose of codifying the current rates for metered water and wastewater services and repealing the authority of the Director of Utilities to order increases in those charges; providing that the unmetered wastewater service charge shall be the average charge for service to similar metered properties and repealing the authority of the Director of Utilities to establish that charge; and requiring the County Executive to annually report to the County Council on the rates for metered and unmetered water and wastewater service.
