

COUNTY LOCAL LAWS

- require County Executive to prepare comprehensive fiscal impact analysis on completion of Planning Board draft master plan;
- provide County Council with ability to extend 180-day period for review and action on master plans by 2/3 vote of District Council;
- require all approved and adopted plans in force to be available for sale to the public;
- eliminate requirement that Planning Board create position of Citizen's Land Use Information Officer; and
- make technical and clarifying changes throughout.

By amending the following sections of the Planning Procedures for Montgomery County, Chapter 33A of the Montgomery County Code:
