

Subsection (b) of this section is new language added to state expressly that which formerly only was implied by the reference in former Art. 73B, § 2-306(a) to the Board of Trustees "receiving a claim".

In subsection (c)(3) of this section, the phrase "that receives a statement from the Board of Trustees" is added for clarity.

In subsection (d) of this section, the clause "[o]n receiving a claim for service credit as an official with the State" is added for clarity.

In subsection (d)(1) of this section, the phrase "compute the amount due from the State" is added to state expressly that which only was implied in former Art. 73B, § 2-306(a) — i.e., the Board of Trustees must compute the amount before including it in the budget.

In subsection (e)(1)(ii) of this section, the phrase "plus regular interest" is added to clarify the former reference to "such contributions" in light of the requirement under subsection (e)(2) of this section that the allowance be reduced by the actuarial equivalent of the unpaid contributions "plus interest".

Also in subsection (e)(1)(ii) of this section, the phrase "but withdrew" is deleted as surplusage.

In subsection (e)(2) of this section, the reference to the "Board of Trustees" is added to clarify that the Board makes the appropriate reductions.
