

Throughout this title whenever a provision applies to members of both the Employees' Retirement System and the Teachers' Retirement System, the term "member" is substituted for former references to "employees" and "teachers".

Also whenever a provision applies to both systems, the phrase "Employees' Retirement System or Teachers' Retirement System" is substituted for "retirement system".

Former Art. 73B, §§ 2-206 and 3-206, which related to restoration of membership in the Employees' Retirement System and the Teachers' Retirement System, are transferred to the Session Laws, because they appear to be obsolete.

Former Art. 73B, §§ 3-501 through 3-505, and 3-506(a), (b)(2), and (c)(2) and (3) which related to participation in the Teachers' Retirement System by employees of institutions of higher education and libraries, are transferred to the Session Laws, because they appear to be obsolete.

Former Art. 73B, § 1-507(a), (b), (d), and (e) and the second sentence of (c), which related to participation in the Employees' Retirement System by former Baltimore City Jail employees, is transferred to the Session Laws, because it appears to be obsolete.
