In subsection (a) of this section, the reference to the "benefits provided under Subtitle 4 of this title" is deleted as surplusage.

Also in subsection (a) of this section, the reference to eligibility service "for which the member is not otherwise entitled to service credit" is added to clarify that a member is not entitled to duplicate service credit for the same period of employment.

In subsection (b)(1) of this section, the reference to "complet[ing]" a claim and the reference to "the form that the Board of Trustees provides" are added to state expressly that which formerly only was implied - *i.e.*, to file a claim a member must complete a form provided by the Board of Trustees.
