

(4) DIES.

REVISOR'S NOTE: This section formerly was Art. 73B, § 7-203.

In item (1) of this section, the word "separated" is substituted for the former reference to being "absent" from employment, for consistency with Division I of this article. No substantive change is intended by this change in terminology. However, the State Personnel and Pensions Article Review Committee notes, for consideration by the General Assembly, that this item may be ambiguous with respect to long-term unpaid leaves of absence.

The only other changes are in style.

- Defined terms: "Accumulated contributions" § 20-101
- "Member" § 20-101
- "Retiree" § 20-101
