12B.

(c)   (1)   Except as provided in [subsection] PARAGRAPH (2) of this [section] SUBSECTION, if there is clear evidence that an exception will not adversely affect the fire safety of the building or its occupants, the State Fire Marshal or a local authority having jurisdiction over the enforcement of fire and building codes may grant an exception to:

(i)   A requirement of a State or local fire and building code if a sprinkler system is installed in a building as required by this section; or

(ii)   The sprinkler system requirement of this section if, on or before June 30, 1990:

1.   The local authority gave approval to a construction plan of a building covered by this section; and

2.   The approved plans do not include the installation of a sprinkler system as required by this section.
