

REVISOR'S NOTE: This section is new language added to clarify the applicability of this title.

Defined term: "Local Fire and Police System" § 20-101

28-102. LEGISLATIVE POLICY.

EXCEPT AS OTHERWISE PROVIDED IN THIS TITLE, THE OPERATION OF THE LOCAL FIRE AND POLICE SYSTEM SHALL BE THE SAME AS THE OPERATION OF THE EMPLOYEES' PENSION SYSTEM.

REVISOR'S NOTE: This section formerly was the second sentence of Art. 73B, § 10-203.

The only changes are in style:

The State Personnel and Pensions Article Review Committee notes, for the consideration of the General Assembly, that the second sentence of former Art. 73B, § 10-203 has been retained though its usefulness is now questionable. When this section was originally enacted, the law on the Local Fire and Police System was cursory; however, the law on the Local Fire and Police System has been expanded in recent years, thus making this section seem unnecessary. The General Assembly may want to consider its repeal.

The first sentence of former Art. 73B, § 10-203 is deleted as unnecessary in light of § 21-108 of this article.

Defined terms: "Local Fire and Police System" § 20-101  
"Employees' Pension System" § 20-101

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 73B, §§ 10-201(e) and (f) and, as it described the scope of the Local Fire and Police System, 10-206(a).

Defined term: "Participating governmental unit" § 20-101
