

(B) COMPUTATION OF ALLOWANCE — IN GENERAL.

AN ORDINARY DISABILITY RETIREMENT ALLOWANCE EQUALS THE GREATER OF:

- (1) A NORMAL SERVICE RETIREMENT ALLOWANCE; OR
- (2) THE AMOUNT COMPUTED UNDER SUBSECTION (C) OR (D) OF THIS SECTION.

(C) SAME — FOR MEMBER AT LEAST NORMAL RETIREMENT AGE.

IF A MEMBER IS AT LEAST NORMAL RETIREMENT AGE, THE AMOUNT TO BE USED UNDER SUBSECTION (B)(2) OF THIS SECTION IS 25% OF THE MEMBER'S AVERAGE FINAL COMPENSATION.

(D) SAME — FOR MEMBER UNDER NORMAL RETIREMENT AGE.

IF A MEMBER IS UNDER NORMAL RETIREMENT AGE, THE AMOUNT TO BE USED UNDER SUBSECTION (B)(2) OF THIS SECTION IS THE LESSER OF:

- (1) 25% OF THE MEMBER'S AVERAGE FINAL COMPENSATION; OR
- (2) THE NORMAL SERVICE RETIREMENT ALLOWANCE THAT IS COMPUTED BY USING:

(I) THE NUMBER OF YEARS OF CREDITABLE SERVICE THAT THE MEMBER WOULD HAVE RECEIVED IF THE MEMBER CONTINUED EMPLOYMENT UNTIL NORMAL RETIREMENT AGE; AND

(II) AN AVERAGE FINAL COMPENSATION THAT THE MEMBER WOULD HAVE RECEIVED IF THE MEMBER CONTINUED EMPLOYMENT WITHOUT A CHANGE IN EARNABLE COMPENSATION.

REVISOR'S NOTE: Subsection (a) of this section is new language added for clarity.

Subsections (b) through (d) of this section are new language derived without substantive change from former Art. 73B, §§ 2-404(a)(2), 3-404(a)(2), and 7-404(a)(2).

In subsection (b) of this section, the reference to a "normal service retirement allowance" is substituted for the former repetition of the formula for computing a normal service retirement allowance, for brevity.

In subsection (d)(2) of this section, the reference to the method of "comput[ing]" the normal service retirement allowance is substituted for the former references to "the retirement allowance the member would have received" to conform to § 29-108(b).

In subsection (d)(2)(i) of this section, the reference to "employment" is substituted for the former reference to "service" to reflect that "service" is no longer a defined term.
