REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 73B, § 10-101(e)(3)(xv) and (xvii), as they related to limitations on employees of the University of Maryland Medical System Corporation to participate in the Employees' Pension System.

This section is set forth as a substantive provision instead of a definition because of the definition of "municipal corporation" in former § 10-101(e) served as a substantive provision limiting eligibility for participation under this subtitle.
