

(3) [to] TO make payment to the Secretary of the Treasury in accordance with such agreement, including payments from its own funds and otherwise to comply with such agreements.

(B-1) Such agreements, shall to the extent practicable, be consistent with the terms and provisions of subsection (a) OF THIS SECTION and other provisions of this [subtitle] SUBHEADING.

(c) Pursuant to § 218(d)(6) of the Social Security Act, the State Employees' Retirement System and the Teachers' Retirement System shall each, for the purposes of this [subtitle] SUBHEADING, be deemed to constitute a separate retirement system with respect to the State and a separate retirement system with respect to each political subdivision having positions covered by the State Employees' Retirement System and a separate retirement system with respect to each institution of higher learning, as provided under § 218(d)(6) of the Social Security Act, having positions covered by the Teachers' Retirement System.

REVISOR'S NOTE: This section formerly was Art. 89, § 32.

Former Art. 89, § 32 is not retained in the Code because it is apparently obsolete. However, it is transferred to the Session Laws to avoid any inadvertent substantive effect that its repeal might have.

The only changes are in style.

[33.] 5.

(a) Every employee of the State whose services are covered by an agreement entered into under [§ 32 of this subtitle] § 4 OF THIS SUBHEADING shall be required to pay for the period of such coverage, into the Contribution Fund established by [§ 35 of this subtitle] § 7 OF THIS SUBHEADING, contributions, with respect to wages (as defined in [§ 31 of this subtitle] § 3 OF THIS SUBHEADING), equal to the amount of the employee tax which would be imposed by the Federal Insurance Contributions Act if such services constituted employment within the meaning of that act. Such liability shall arise in consideration of the employee's retention in the service of the State, or [his] entry upon such service, after June 1, 1955.

(b) The contribution imposed by this section shall be collected by deducting the amount of the contribution from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such contribution.

(c) If more or less than the correct amount of the contribution imposed by this section is paid or deducted with respect to any remuneration, proper adjustments, or refund if adjustment is impracticable, shall be made, without interest, in such manner and at such times as the State Agency shall prescribe.

REVISOR'S NOTE: This section formerly was Art. 89, § 33.

Former Art. 89, § 33 is not retained in the Code because it is apparently obsolete. However, it is transferred to the Session Laws to avoid any inadvertent substantive effect that its repeal might have.
