Article 78 – Public Service Commission Law

54D.

(a) Except for a small rural electric cooperative, a steam heating, gas, or electric utility which directly passes on to its customers any change in its fuel costs, costs of purchased power, or costs of purchased gas is required each month to verify and justify the adjusted costs to the Commission. The Commission shall conduct a public evidentiary hearing no less frequently than once every 12 months on these changes. The Commission shall order a utility to charge off and amortize, by means of a temporary decrease of rates any charges it finds were unjustified upon the failure of the company to show that its charges were based solely on increased [fuel] FUEL, purchased [power] POWER, or purchased gas costs or upon the failure of the company to follow competitive practices in the procurement and purchasing of said fuel, purchased power, or purchased gas or upon a showing that the company was unreasonable in its fuel procurement and purchasing practices.
