32.06.02.07 Targeted Local Health Services

Provided that this appropriation shall only be used for distribution to the local jurisdiction for specific programs approved by the Secretary of Health and Mental Hygiene. Preference shall be given to programs related to maternity care, infant and child care, family planning, cancer control and AIDS education and research. Provided further that the local jurisdictions must provide matching funds on the same basis as provided with respect to general local health services. Provided further that this appropriation may not be transferred by budget amendment or otherwise to any other subobject or program for any other purpose.
