3,268,238

Funds are appropriated in the Department of Transportation budget to pay for services provided by this program. Authorization is hereby granted to use these receipts as special funds for operating expenses in this program.

DIVISION OF BUSINESS RESOURCES

38.10.00.01 Assistant Secretary for Business Resources

General Fund Appropriation, provided that the department and the National Information Technology Center shall, prior to July 1, 1994, jointly establish quarterly performance goals for NITC. Further provided that the \$300,000 appropriation shall be allotted quarterly in equal amounts and may be paid over to NITC after October 1, 1995 only upon certification of the Secretary that the performance goals with regard to the level of dues-paying members, the amount of non-state funds raised and the number of projects undertaken for during the preceding quarter have been met. The budget committees shall receive copies of the performance goals and certifications issued under this provision.

Further provided that \$233,000 of the grant in the Fiscal 1994 appropriation may not be expended for any expenses of the National Information Technology Center. The budget committees must review and comment upon the department's proposed use of these funds to support other initiatives.....
