

Program makes subsequent additional payments to the facility or program for the same services, any recoveries of overpayment, whether paid in this or prior fiscal years, shall become available to the Medical Assistance Program for provider reimbursement purposes.

SECTION 15. AND BE IT FURTHER ENACTED, That all funds appropriated to the various State departments and agencies to conduct administrative hearings by the Office of Administrative Hearings are to be transferred to the Office of Administrative Hearings (23.01.11.01) on July 1, 1994 and may not be expended for any other purpose.

SECTION 16. AND BE IT FURTHER ENACTED, That the Board of Public Works in exercising its authority to create additional positions pursuant to Section 7-236 of the State Finance and Procurement Article, may authorize during the fiscal year no more than 50 positions in excess of the total number of authorized State positions on July 1, 1994, as determined by the Secretary of Budget and Fiscal Planning. Provided, however, that if the imposition of this ceiling causes undue hardship in any department, agency, board, or commission, additional positions may be created for that affected unit to the extent that positions authorized by the General Assembly for the fiscal year are abolished in that unit or in other units of State government. It is further provided that the limit of 50 does not apply to any position that may be created in conformance with specific manpower statutes that may be enacted by the State or federal government nor to any positions created to implement block grant actions or to implement a program reflecting fundamental changes in federal/State relationships. Notwithstanding anything contained in this section, the Board of Public Works may authorize additional temporary positions to meet public emergencies resulting from an act of God and violent acts of men, which are necessary to protect the health and safety of the people of Maryland. In addition to any positions created within the limitation of 50 under this section, the Board of Public Works may authorize the creation of 215 positions within the Department of Human Resources provided that the Department abolishes 1.5 full-time contract positions or the equivalent for each permanent position authorized. The Department of Human Resources shall prepare a report for the budget committees upon creation of these positions detailing where permanent positions have been authorized and where contractual positions have been abolished.

SECTION 17. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that all State departments, agencies, bureaus, commissions, boards, and other organizational units included in the State budget, shall prepare and submit items for the Fiscal Year 1996 budget detailed by "Statewide Subobject" classification in accordance with instructions promulgated by the Comptroller of the Treasury. The presentation of budget data in the State budget book shall include object, fund, and personnel data in the manner provided for Fiscal Year 1995, except that program and performance data shall be provided for each budget program in a manner which is no less comprehensive than that provided for the fiscal 1994 budget books; however, this shall not preclude the placement of additional information into the budget book. For Fiscal Year 1996, the budget detail shall be available from the Department of Budget and Fiscal Planning's automated data system at the subobject level by statewide subobject codes and classifications for all agencies and shall include information concerning executive changes to the budget request. These data shall be made available upon request and in a format
