

(2) Upon approval by the State Board of Education of a County's plan, a County Board shall receive a share of the funds available for targeted poverty grants that is proportional to its share of the statewide number of children living in poverty.

(3) Grants to individual schools shall not exceed \$1,500 for each student living in poverty attending the school receiving the grant.

(4) In selecting the schools, the County Board shall give priority to schools with the highest concentration of students living in poverty.

(5) Grants made under this appropriation may not be used to supplant existing funding for compensatory education programs.

2,000,000

36.01.02.13 Innovative Programs

To become available immediately upon passage of this budget to adjust the appropriation for fiscal year 1994 to provide funds for incentive grants to six Local Education Agencies (LEA's) - Montgomery; Anne Arundel, Calvert, Howard, and Allegany Counties, and Baltimore City - to study, plan, and/or implement year-round education programs. A 20% match is also required from each of the LEA's.
