REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48A, § 495(a)(2) and (4), (b), (c), (e), and (g).

In subsection (a)(4)(v) through (viii) of this section, the former word "all" is deleted as surplusage.

In subsection (a)(5) of this section, the reference to matters that "the registration statement form requires" is substituted for the former reference to those "as may be included from time to time in any registration forms adopted or approved by the Commissioner" for clarity and brevity.

In subsection (b) of this section, the reference to an "affiliate" in an insurance holding company system is substituted for the former word "person" for clarity.

Also in subsection (b) of this section, the phrase "subject to registration" is applied to the insurer that must comply with the title, rather than, as formerly, to an insurance holding company system, for clarity.
