

Also in subsection (a)(1) of this section, the former phrase "relating to another type of insurance" is deleted as unnecessary in light of the definition of "insurance", which is intended to include all types of insurance.

In subsection (a)(2) and (3) of this section, the defined term "certificate of qualification" is substituted for the former term "certificate" for clarity and consistency.

In subsection (a)(7) of this section, the former reference to the "Unsatisfied Claim and Judgment Fund" is deleted as obsolete. The Maryland Automobile Insurance Fund now handles virtually all of the matters that formerly were handled by the Unsatisfied Claim and Judgment Fund. See Ch. 73, Acts of 1972. The Insurance Article Review Committee calls this deletion to the attention of the General Assembly.

Also in subsection (a)(7) of this section, the former term "bona fide", which modified "intention", is deleted as surplusage.

In subsection (a)(11) of this section, the reference to a "rule" of the Commissioner is deleted in light of the reference to a "regulation". See the General Revisor's Note to this article.

In subsection (a)(12) of this section, the former phrase "in his hands" is deleted as implicit.

In subsection (c) of this section, the former phrase "[i]n addition to the reasons provided in subsection (a) of this section" is deleted as surplusage.

In subsection (e) of this section, the former reference to not "restrict[ing]" the rights of claimants is deleted as unnecessary in light of the reference to not "limit[ing]" those rights.
