REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48A, § 181(f), (h), and the second sentence of (d) and, except as it related to renewal, the first sentence of (d).

In subsection (a)(1)(i) of this section, the former reference to a "written" application is deleted as unnecessary because the application must be "on the form that the Commissioner provides".

The Insurance Article Review Committee notes, for consideration by the General Assembly, that the second sentence of former Art. 48A, § 170(f), revised as subsection (b)(4) of this section, required an applicant that is an "individual" to state whether any other insurance license or certificate has been issued to any officer or director of the "corporation". The General Assembly may wish to clarify this requirement.

Defined terms: "Commissioner" § 1-101
