

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48A, § 366.

The Insurance Article Review Committee notes, for the consideration of the General Assembly, that subsection (b)(1) of this section refers to "personal insurance". Elsewhere, this subtitle refers to "insurance ... on the individual's own life or body" and "life insurance or health insurance". The General Assembly may wish to conform these references with a standard reference to "life insurance or health insurance". See subsection (a)(1) of this section and § 12-202 of this subtitle.

In subsection (b)(4)(ii)2A of this section, the reference to "at least" 12 consecutive months of employment is added for clarity.

In subsection (b)(5)(i)2 of this section, the reference to a "close" corporation is substituted for the former reference to a "closed" corporation to conform to the terminology used in Title 4 of the Corporations and Associations Article and in the original enactment of this provision. See Ch. 47, Acts of 1956. The Insurance Article Review Committee calls this substitution to the attention of the General Assembly.

In subsection (b)(5)(ii) of this section, the former reference to "heretofore or hereafter" is deleted as unnecessary.

In subsection (c)(2) of this section, the references to an "insurance policy" are substituted for the former references to an "insurance contract" and "insurance" for clarity.

In subsection (c)(3) of this section, the former reference to an insurance policy "issued under the insurance contract" is deleted as surplusage.

In subsection (d) of this section, the word "insurance" is added to modify the reference to a "contract" for clarity.
