DRAFTER'S NOTE:

Subsections (b) and (c) of this section are amended to reflect the status of the head of the Department of State Police as the Secretary of a principal department of State government in light of Chs. 165 and 166, Acts of 1994.

6.

The Department shall make its training facilities available to any law enforcement agency of the State and the Police Training Commission to the extent permitted by fiscal appropriation and the availability of such facilities and employees of the Department. The extent of use of such facilities, the course of training, and the qualifications of persons using such facilities shall be established by rule of the [Superintendent] SECRETARY.

DRAFTER'S NOTE:

This section is amended to reflect the status of the head of the Department of State Police as the Secretary of a principal department of State government in light of Chs. 165 and 166, Acts of 1994.

7.

Any law enforcement agency of the State or any State agency may be permitted to connect with and use any teletypewriter, voice communication, data communication, message switching or other communication system established by the Department for statewide use. Such connection and use shall be subject to and in accordance with rules established by the [Superintendent] SECRETARY to promote the purposes of this subtitle, to insure the effective, economical, and efficient utilization of the entire system, and to prevent interference with the law enforcement duties of the Department. Violation of such rules shall constitute sufficient basis for withdrawal of permission to connect with and use such system. To the extent permitted by specific budget appropriation, the cost of rental of such equipment and the circuitry necessary thereto
