(a) The Department of Public Safety and Correctional Services, THE DEPARTMENT OF STATE POLICE, and the Office of the Attorney General shall have access to and shall be authorized to inspect and copy any reports filed with the Department under this article.

DRAFTER'S NOTE:

Subsection (a) of this section is amended to reflect that it gives authority to inspect and copy reports to the Department of State Police. Before the enactment of Chs. 165 and 166, Acts of 1994, the State Police were included in the reference to the Department of Public Safety and Correctional Services since the State Police were part of that department. Chapters 165 and 166, Acts of 1994, however, made the State Police a separate department and, therefore, a separate reference to the Department of State Police must be added for subsection (a) of this section to continue to authorize the State Police to inspect and copy reports.

DRAFTER'S NOTE:

Subsection (g) of this section is amended to reflect the establishment of the Department of State Police as a principal department of State government by Chs. 165 and 166, Acts of 1994.
