The Honorable Thomas V. Mike Miller, Jr.  
President of the Senate  
State House  
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 179.

This bill allows nonstock, nonprofit corporations organized exclusively for educational and charitable purposes to lease or acquire oyster bottoms. The bill also limits to two the number of leases of submerged land which may be not more than 30 acres each, and provides that any harvest revenues must be used exclusively for educational and charitable purposes.
