

(iii) Identify the resources the business can provide to support the training, including facilities, materials, and equipment;

(iv) Identify or develop appropriate curricula; and

(v) Determine the most cost effective approach to meeting the employer's training needs.

(e) The Secretary may award grants for job specific training assistance to a qualified business, union sponsored training program, community college, private career school, trade association, or State-accredited training agency.

(f) All training must be approved by the employer of those being trained.

(g) Under the Partnership for Workforce Quality Program, job specific training may not exceed one year.

(h) (1) The Partnership for Workforce Quality Program may not contribute more than 50 percent of direct training costs for job specific training assistance.

(2) The Partnership for Workforce Quality Program may provide business assistance services under subsection (d)(2) of this section at no cost to the employer.

(i) (1) Partnership for Workforce Quality Program funds may be used for those costs associated with the direct delivery of instruction such as curriculum development, course materials, and instructor's salary and expenses for training.

(2) Program funds may not be used for the cost of capital equipment for an employer or the cost of trainee wages.

[3-504.] 3-704.

The Secretary shall submit an annual report to the Governor, THE COMMISSION, and the Work Force Investment Board and, subject to § 2-1312 of the State Government Article, the General Assembly on the operation and performance of the Partnership for Workforce Quality.

Subtitle [6.] 8. Maryland Advisory Commission  
on Manufacturing Competitiveness.

[5-601.] 3-801.

In this subtitle ONLY the word "Commission" means the Maryland Advisory Commission on Manufacturing Competitiveness.

[5-602.] 3-802.

The General Assembly declares it to be the policy of the State to adhere to these seven guiding principles for supporting manufacturing in Maryland:

(1) The State must make a long-term institutional commitment to improving the competitiveness of existing and emerging manufacturers;
