

until an implementation plan for the waiver(s) is submitted to the Legislative Policy Committee. The Legislative Policy Committee shall have 45 days to review and comment on the plan before it becomes effective. Further provided that state general funds appropriated for Medical Care Provider Reimbursements for out-of-state placement of children may be used by the Local Management Boards to assist in returning children from out-of-state placements. It is the intent of the General Assembly that the funds travel with the child from the out-of-state placement to an in-state placement.....

All appropriations provided for the program Medical Care Provider Reimbursements - 32.17.01.03 are to be used only for the purposes herein appropriated, and there shall be no budgetary transfer to any other program or purpose, except that funds may be transferred for the purpose of providing medical coverage for the population served by the DALP - Primary Care Services program. No funding may be transferred to the DALP - Primary Care Services program, until the budget committees are notified in writing of the intent to transfer and 30 days have elapsed from the date on which this notification is received.

Further, it is the intent of the General Assembly that the Medical Care Provider Reimbursements appropriation be expended in accordance with the budget detail presented to and approved by the General Assembly. Should the department wish to make a regulatory, policy, or procedural change which has an increase or decrease greater than \$300,000 on the program's budget, whether or not the increase or decrease is offset in whole or in part by other action, it shall inform the budget committees of the change, and the
